Welcome to **eLY** 

Bringing the Moriah Community Together Online

## What is eLY?

eLY is a comprehensive, online, interactive teaching and learning environment where students, teachers and parents can communicate and collaborate together.

It's a one-stop-shop for quick and easy access to all the Moriah College information you need.

eLY is an easy and effective way for us to share information and maximise the potential of our school's Information and Communication Technology Program.

## Why eLY? What's in a Name?

**e** represents the **e-learning** aspect of the system. It also represents the Hebrew word for 'one' – 'echad'.

**L** represents both the English word 'Learning' and the Hebrew word for learning - 'Limmud'.

**Y** represents the Hebrew word 'Yachad' which means 'together'.

**eLY** is therefore our **e-learning** system with everything in the **ONE** place for us to all **learn together**.

## How do I access eLY?

# How are Students and Teachers using eLY?

In the Preschool and Primary School, eLY is used by teachers to communicate with parents, manage documents and share resources and ideas with colleagues.

In the Middle and High School, this is expanded to include posting assignments, setting up collaborative groups, monitoring students' workload, viewing due work, checking out a student's ePortfolio and marking tests and assessments online.

Middle and High School students can communicate with teachers, manage their workload and develop a support system through eLY. The online assignments allow students to complete, submit, review marks and read teachers' comments. Students can develop their own ePortfolio where they can store and showcase their work, awards, individual style and achievements. With eLY, they can effectively manage their workload and enjoy an enhanced learning experience.

# I need help to use eLY – where can I go?

We encourage you to logon to eLY and explore it for yourself. Don't worry about making mistakes or deleting information – eLY will only allow you to get access to information, not to change it – so jump on board and discover everything eLY has to offer.

You will find new information and items on eLY every day, so visit eLY as part of your daily routine and ensure that you don't miss out on important information.

We will still be communicating with you by email, so keep a lookout for details about our eLY workshops for parents. Whether you need help with logging on, navigating the site or would like to know how to fully utilise eLY's features, these workshops will be helpful and productive.

You can also send an email, with full details of any issues or questions about eLY, to [mcollege@moriah.nsw.edu.au](mailto:mcollege@moriah.nsw.edu.au) and we will be in touch to help you as soon as possible.
